## 2013 SAUVIGNON BLANC

### WINEMAKER'S NOTES

Our 2013 Sauvignon Blanc beautifully combines citrus, pear and green apple characters in a complex and balanced expression of this exciting varietal. It has a light straw color and a nose of grapefruit rind, juniper berry, star fruit, green apple, pear and elderberry flower. It has a juicy, fruit-sweet attack with notes of honey and citrus on the palate. The wine has a long, lingering, fresh fruit finish.

Each of our Sauvignon Blanc vineyards is estate owned and sustainably farmed.

### NOTES FROM THE VINEYARD

2013 will be remembered in California as the driest year on record, and for producing a harvest for the ages. There was an early start to the season as beautiful spring conditions induced budbreak in March. Clear and sunny weather dominated the skies, and pushed canopy and fruit development along evenly. Lacey canopies provided a perfect dappled light environment for maturing clusters during the warm August afternoons. Warm, dry conditions persisted through September so that each of our four Sauvignon Blanc vineyards produced ultra-clean fruit at optimal ripeness.

### VINEYARD COMPOSITION:

62% Napa County  
38% Sonoma County

### HARVEST DATES:

**Calistoga Estate Vineyard**  
August 16 - 23, 2013

**Oakville Estate Vineyard**  
August 19 - 22, 2013

**Westside Road Estate Vineyard**  
August 27 - September 5, 2013

**Marino Estate Vineyard**  
September 17 - 20, 2013

### ALCOHOL:

13.9%

### RELEASE DATE:

May 1, 2014
